

Addendum to Minutes of Library Project

Date - Dec 30th, 2011 (Saturday)

Background to Addendum

Mr. Gurparkash indicated in an email to the Minute Taker (Mandhir Singh) after the Minutes had been published on the GSSA Website that the Minute Taker had omitted relevant information that Mr. Jassal had suggested at the end of the meeting that there be a 7 person committee formed - 3 people from Mr. Gurparkash (the petitioner) and 3 people from Mr. Nayar (President) side and 1 mutually agreed upon "Neutral" person.

The Minute Taker is publishing this Addendum so that the above mentioned omission is corrected.

Man Yog Jeo,
Wahegurujikakhalsa Wahegurujikifateh

Sorry, I am few minutes late. Please find my comments. I would like to state that the proposal regarding 7-member committee by Tajinder Singh Jassal as the secretary and moderator of the meeting should be included in the records and implemented upon.

This message has been reiterated in the post meeting emails, and was again announced from the stage in the Darbar Hall on Sunday, December 25. Ignoring this message would clearly indicate an autocratic process that only does lip service to fairness, and mottos like, "For the Sangat, By the Sangat and From the Sangat". We are still waiting for Mr. Nayar to provide 3 names; together we should agree upon a neutral person and resolve this issue amicably. I am sure we can do it. I am hopeful that committee should be remembered as a fair and balanced and not otherwise.

I am all for a functional library that attracts Sikhs and non-Sikhs alike. So, we should work on this together and provide an example of cooperativity and inclusion, and not to the contrary.

Bhul Chuk Muaf,

SSA Veerji.

I will add the below email text as Addendum to the Minutes and send over to CJ to post as information only.

The reply to above is already included in an email from S. Nayar from before.

If that is ok by all would suggest we put this part to bed.

As other things develop we can start a "new" set of minutes.
